

Table Top Lable Printing Scale

Description

The Receipt & Lable Printing Table Top Scale is a Customized scale designed for Restaurant & Industrial use. This scale comes with features, including hi/lo check weighing, pre-set tares, alphanumeric keypad, built-in overload protection and quantity alarm. This scale comes with an internal counting resolution of 1/60,000 enabling it to count very small items with impressive precision. Bright LED display for Weight can be read easily even in poor lighting conditions.
